

# SRIDHAR P

Full Stack Developer With Python

## PROFILE SUMMARY

Seeking a challenging role in a reputed company to utilize my skills and knowledge gained through completing my BCA in Computer Applications. Proficient in HTML, CSS3, Bootstrap, JavaScript, and React.js, with a solid foundation in Python and Django framework. Experienced in MySQL. Eager to contribute to dynamic projects and continue learning and growing professionally.

## PROJECTS

### E commerce

An E-COMMERCE Project using Django, Python, HTML, CSS, JavaScript, and MySQL enables seamless online shopping experiences with product browsing, cart management, and user authentication. It includes features for order tracking and inventory management to streamline business operations and enhance customer satisfaction.

### SCHOOL MANAGEMENT

A SCHOOL MANAGEMENT Project using Django, Python, HTML, CSS, JavaScript, and MySQL efficiently manages student and teacher information, course enrollments, and grade tracking. It also includes features for attendance monitoring, secure communication, and comprehensive administrative functions to streamline school operations
